CONTACTS

Contacts are typically co-workers, other departmental employees, other emergency response agencies, medical facilities staff and the general public.

Contacts are typically to exchange information and provide services.

ADA MINIMUM REQUIREMENTS

Scope of Performance: The purpose of this position is to perform skilled emergency work in the protection of life and property from fire and other hazards; the treatment of emergency medical problems and emergency rescue; public fire education and information; training; equipment checks, tests and maintenance; and building and grounds service and maintenance.

Physical Ability: Must be physically able to operate a variety of machines, tools and equipment which includes a motor vehicle, computer, generator, fire pump, fire hydrant, axe, shovel, hydraulic tools, power tools, hand tools, medical equipment, etc. Tasks require the ability to exert strenuous physical effort in work. This position requires: walking, standing, bending, stooping, pushing, pulling, lifting, fingering, grasping, feeling, seeing, talking, hearing, and repetitive motions. Must be able to use body members to work, move or carry objects or materials up to 25 pounds regularly and occasionally materials of moderate to heavy weight (50-200 pounds) for sustained periods. Physical demand requirements are at levels of those for very heavy work.

Environmental Factors: Essential functions are regularly performed with exposure to adverse environmental conditions including inclement weather. Duties may involve exposure to substances (chemicals and gases) requiring special precautions including use of protective clothing and protective devices such as SCBA (Self-contained Breathing Apparatus.) The work environment routinely involves imminent danger from conditions or events which cannot be fully anticipated or protected against, and which exposes the incumbent to life threatening situations.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY

The employee works under the general and technical supervision of the Division Chief of Operation and Training; reports to Fire Department Chain of Command including but not limited to Chief Staff.

MINIMUM QUALIFICATIONS / CERTIFICATIONS

- Knowledge and level of competency commonly associated with the completion of an Associate Degree in a course of study related to the occupational field
- Experience sufficient to thoroughly understanding the diverse objectives and functions of the subunit in the division/department in order to direct and coordinate work within the division/department, usually interpreted to require three to five years of related experience
- Georgia State Certified Paramedic (National Registry preferred)
- Possession of those items for promotional eligibility requirements and certifications as defined by the department
- All prerequisites for Captain, plus:
 - NPQ Fire Officer III
 - GA Certified Emergency Manager-Basic (preferred)
 - Not currently on probation or improvement plan

- Valid Driver's License and a satisfactory Motor Vehicle Record (MVR), along with the ability to obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated
- Applicant must pass a background check and drug screening

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

I have read the above job description and understand the requirements.
